Colonel ^{Redacted},

The attached letter signed by the Commanding General MARFORSOC on 09 June 2022 is the current direction and guidance to Major Mast.

My endorsement signed earlier on 09 June 2022 is null and void ab initio, as the Commanding General has the final authority in this matter and the attached his June 9 letter supersedes any other endorsement or approval from me. There is no approval from the United State Government for Major Mast to use any official government information in these state court proceedings.

Respectfully,
